International Christian University in Tokyo, Japan has inaugurated a new scholarship program called the ICU Peace Bell Scholarship to coincide with the implementation of important academic reforms aimed to strengthen its commitment to liberal arts. The scholarships will provide significant financial support for highly promising and productive students over the course of their four years at ICU. The funds that make the awards possible come from generous ICU alumni and friends who believe in the promise of the university and its future – a future that lies in the hands of the students who graduate from ICU. Recipients of the award will be known as Peace Bell Scholars. To help us award ICU Peace Bell Scholarships to the most deserving students, applicants are required to provide a letter of recommendation from a person who is able to discuss their character and academic promise as well as vouch for the applicant's financial need situation.
